MAJOR TERMS AND CONDITIONS OF BUSINESS CARD PROGRAMME AGREEMENT (THE "AGREEMENT")

The significant liabilities and obligations of the Company and the Cardholder under the Agreement are summarised below for your particular attention. You should read the full version of the Agreement (which will prevail in the event there is any discrepancy with the following). By using your Card, you will be taken to have accepted the Agreement and will be bound by it.

- (a) The Card is for your use and is not transferable. You should sign the Card immediately on receipt.
- (b) Except as referred to in paragraph (d) below, the Company will be responsible for all transactions effected and charges incurred with the use of the Card. This is despite any dispute which the Company and/or the Cardholder may have with any merchant involved in the transactions.
- (c) If the Company fails to pay the total amount outstanding on the Card Account as shown on the monthly statement by the payment due date, the Company will be liable to pay finance and late charges on the outstanding amount. Details of these charges, as well as other fees charged by us, are as set out in the Bank's Commercial Tariffs available at any of our branches or as notified to the Company and/or the Cardholder.
- (d) You must keep your Card and any personal identification number used in relation to the Card secure. You must promptly report any loss, theft or disclosure of your Card or that number. The Company shall be fully liable for all cash advances effected as a result of the unauthorised use of any such number until notification of its loss, theft or disclosure has been received by the Bank or by a member of MasterCard. In respect of all other transactions debited to a Card Account as a result of the unauthorised use of a Card ("Non-cash Transactions") until notification of its loss, theft or disclosure has been received by the Bank or by a member of MasterCard, except in the circumstances described below, the maximum liability for Non-cash Transactions shall be the assigned credit limit of the Card Account for the Company. The Company shall be fully liable for all Non-cash Transactions debited to the Card Account, without limit, and for all other losses suffered or incurred by the Bank or its service provider if the Cardholder and/or the Company has acted fraudulently or with gross negligence in using the Card or its related facilities and/or services or in safeguarding the related Card or has knowingly (whether voluntarily or otherwise) provided the Card or let the Card be taken by a third party or has failed to make a report in accordance with this Clause as soon as reasonably practicable upon discovery of loss, theft or disclosure. Failure to follow any measures to safeguard a Card and any such number or with regard to the usage thereof as recommended by the Bank in any communication to the Cardholder and/or the Company from time to time may be treated as gross negligence on the part of the Cardholder and/or the Company for the above purpose.
- (e) If the Company owes us any money on any Card Account, we may without notice combine or consolidate the outstanding balance on any Card Account with any other account(s) which the Company maintains with us and set-off or transfer money from such other accounts to settle such money owing to us.
- (f) We may cancel your Card at any time. A Cardholder and/or the Company may cancel a Card by notice and returning the Card to us.
- (g) Upon the cancellation of the Card for any reason or upon the Company's insolvency, winding-up or bankruptcy, the whole of the outstanding balance on the Card Account (including transactions authorised but not yet charged to the account) will become immediately payable.
- (h) If the Company fails to pay any amount to us when due, we may incur legal, collection or other expenses in recovering the amount from the Company and the Company will be liable for all reasonable costs and expenses reasonably incurred by us.
- (i) You understand that in order to comply with the Code of Banking Practice and guidance given by the Courts, the Bank needs to obtain the Company's consent before it can provide a copy of summary of the Programme, or information on the Company's outstanding liabilities owed to the Bank, to any guarantor or other third party providing security in respect of the Company's liability ("the Surety") or to the Surety's advisers. In addition, if the Bank is obliged to make any formal demand for repayment because the Company has failed to settle any amount due following a customary reminder, the Bank will also need to provide the Surety with a copy of the latest statement of account and / or to give the Surety details of the Company's outstanding liabilities owed to the Bank, whether actual or contingent. The Company agrees to the Bank providing any of the aforesaid documents or information to the Surety (including any potential Surety), to the Surety's solicitors and other professional advisers. The Company understands that, if this consent is not given, the Bank will be unable to provide or continue to provide the Programme to the Company.
- (j) We may change the terms and conditions of the Agreement by notice to the Company and the Cardholder and the changes will apply to the Company and the Cardholder unless the Card is returned to us for cancellation before the changes take effect.
