Member User Guide

A guide with important highlights

HealthyLife App

Welcome to HealthyLife !

There are many things you may want to pursue in life, but taking care of your health and wellbeing can be one of the hardest. HealthyLife app ("HealthyLife") is a one-stop health and lifestyle enhancement app with a wide range of features designed for you and your dependants insured under HSBC Life group insurance policies. Through the app, you can review your medical insurance benefits, manage your claims, as well as exploring ways to improve your health and wellness. All you have to do is download the HealthyLife app, register and log into the app to enjoy the app features (if applicable) listed below.

What's more, you can send invitations to your dependants through the app to bring them onboard and let them enjoy the same great services as you are!

Download and registration processes

1

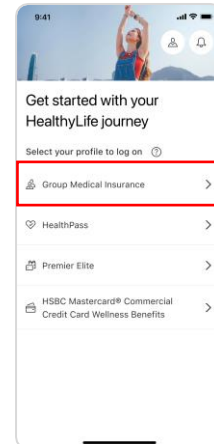

Download HealthyLife from the App Store¹ or Google Play²

Also accessible through our web platform:
HSBC HK website > Insurance > More from HSBC Life > HealthyLife App

2

Open the app and select 'Group Medical Insurance'

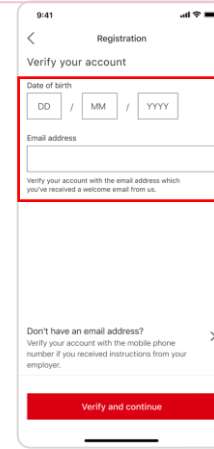

3

Click "Register now"

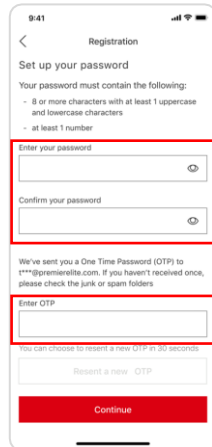

4

Input your date of birth and email address

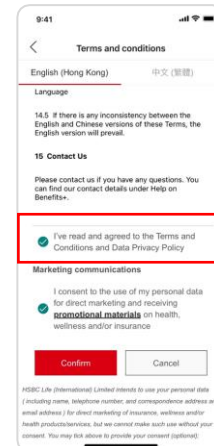

5

Setup your password and verify your identity by entering the one-time password (OTP) sent to your email address

6

Read and agree the Terms & Conditions at the first login

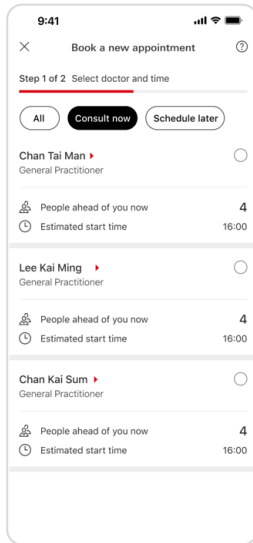

You are all set!

¹ Apple, the Apple logo, iPhone, Touch ID and Face ID are trademarks of Apple Inc., registered or in the process of being registered in the US and other countries. App Store is a service mark of Apple Inc.
